FIT KITS & CAMP APPOINTMENTS

We're thrilled to offer Fit Kits to assist you with sizing your camper(s). Fit Kits are sizing orders that are fully returnable (for store credit which can then be applied to your camp order).

HOW FIT KITS WORK:

1. Place your Fit Kit order on our website (select FIT KITS on the signpost) and we'll send you sizing samples (based on your specific selections) along with a prepaid return label for you to return the Fit Kit back to us.

Note - Fit Kits must be ordered by Monday, March 29th.

2. Once you receive the Fit Kit and your camper tries on the size samples, you will then be ready to place your camp order. **Please remember to keep notes on the size and fit**

3. Return your entire Fit Kit using the return label provided (and the box it arrived in).

Note - Fit Kits must be returned within 2 weeks of receipt.

4. Once received back at our warehouse, your Fit Kit return will be processed within a few days and your store credit will be issued and available to apply to your camp order. **We recommend waiting until you receive the email with your store credit details to place your order.**

HOW TO PLACE YOUR CAMP ORDER:

Camp orders can be placed via a Zoom Appointment (with one of our camp experts), online, or by calling us.

Zoom Appointments - Highly recommended for new families, one of our camp experts will guide you through your packing list, answer product questions, and help you place your order, etc. Appointments are easily scheduled on our website.

Online - Great for returning families. Order online anytime. Note: If you returned a Fit Kit you should see your store credit on the payment page at checkout.

Phone - We are always happy to help or answer any questions you have. Call us 9:30 - 5:00 Monday through Friday at 973-994-7416 ext 7.
