CAMP APPOINTMENTS & FIT KITS

We're thrilled to offer Fit Kits and Virtual Appointments to assist you with your sizing and camp shopping decisions. Fit Kits are sizing orders that are fully returnable (for store credit). We will send you an order of sizing samples based on your specific selections (along with a prepaid return label) so that your camper can try on items for size in the convenience of your home.

Place your Fit Kit order online today. It's quick and easy!! We just need to know what items and sizes your camper(s) would like to try on.

After your camper has received the Fit Kit and tried on the size samples, you can then place your order online or via a Zoom or phone appointment with one of our camp experts. Our camp expert will walk you through your camp's packing list and can answer any sizing and/or product questions you may still have. Zoom and phone appointments are easily set up online.

NOTE - If you plan to order a Fit Kit, be sure to order your Fit Kit and have your camper try it on BEFORE your appointment. **We recommend your appointment date be scheduled approximately 2 weeks after you place your Fit Kit order** so there is time for you to receive your Fit Kit and to have your camper try everything on before your appointment.

**** FIT KITS MUST BE ORDERED BY MARCH 26th ****
